Breast Cancer Awareness Lecture and Luncheon

Thursday, October 13

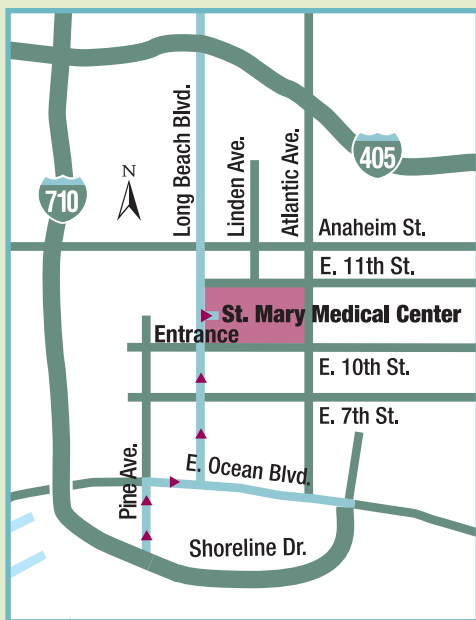

11 am - 1 pm

A Lifetime of Wellness

St. Mary Medical Center

Lecture Location:

St. Mary Medical Center
Health Enhancement
Center, across the street
from the main entrance
to the hospital.

Early detection of breast cancer through screening tests is very important. The earlier cancer is found the better chance for a surgical cure and long term survival. Please join Helene Ho, MHS, PA-C and Michelle Davis, PA-C to learn about the risks of breast cancer. Lunch is included and reservations are a must.

Call (562) 491.4849 to reserve your spot for this lecture.

Presented by St. Mary Medical Center 4th Street Clinic and Independent Physicians of St. Mary IPA.
